The Kansas Department of Transportation (KDOT) is hosting a public open house to provide current project updates, including preliminary right of way maps for all ten phases of the K-7 and I-70 Interchange project in Bonner Springs. Project construction activities will begin with Phase 2 in 2013. Phase 2 involves rebuilding bridges over I-70 at Riverview Avenue and 118th Street and realigning 122nd Street and Riverview Avenue. Stop by the January 26 open house anytime between 5:00 p.m. and 7:00 p.m. to learn more about the project. Identical short presentations will be given at 5:20 p.m. and at 6:20 p.m. Detailed project maps will be available at the meeting for your review and comment.
